PROFESSIONAL SUMMARY

Web Developer with a particular interest in Javascript programming. Completed Georgia Tech's Full Stack Web Developer bootcamp in May 2019. Also hold a bachelor's degree in Public Relations and a minor in Business Management from the University of South Alabama.

Technical Skills: Javascript and JQuery, Node.js, Firebase, CSS3, Bootstrap 4, HTML5

APPLICATIONS

Workout Buddies

- Workout Buddies is a simple JS app that allows fitness enthusiast to connect with each other for a workout. Using realtime data, a user can see other nearby users to connect with them and become buddies. Also, users can see nearby workouts to join based on their fitness level. This will help create a community built on positive reinforcement, accountability and motivation.
- Javascript & JQuery, Materialize, Firebase, Google Maps API, Open Cage Weather API
